Special Town Meeting

Mattapoisett will hold a special town meeting on Monday, August 16th, at 7:30 p.m. at the Old Rochester Regional High School. Fourteen articles will be acted upon. See Page 31 for the warrant.

Selectmen's Meeting

COMPUTER AGREEMENT

Selectmen discussed a computer time sharing agreement with Robert Faye of Old Colony. Under the terms of the agreement 2 terminals in the Mattapoisett Town Hall would have the capacity to activate the central computer at Old Colony 24 hours a day 7 days a week. Selectman Frank Suzan asked Faye to produce a list of programs to inform the Selectmen on the various types of work that the computer can accomplish. Selectman James Huntoon seconded the request and said that he thinks the town should look at a statistical analysis type of program so that trends can be charted and a graphic display produced. He said that the owner of an "Apple" home computer is presently working on such a task which will be of value to the town. The Selectmen asked Faye for estimates of costs for such programs for comparison to an individual type computer.

Mr. Faye said that Town Accountant Barbara Dakin is in the process of studying the Old Colony system and is just about prepared to use it for some of the town accounts. He said the new computer there is a PDP 11/44 mini-computer with a 64 terminal capacity with a total 82 megabites capacity which he said is very large. Mr. Faye said that, for special information, operators would be available at specific periods of time to change the storage discs. A $2,000 charge is asked for a year's services. Selectmen will study and reply.

WHARF REPAIR ESTIMATES

Wharf Commissioner Lloyd Haskell gave Selectmen an estimate of $10,000 to repair piling, bind cribbing and do cement work on the town wharves. He said that the piling, if repaired, would help to hold the stonework. He said the wharf needs rewiring and a price has been sought from a Fairhaven contractor who has not yet responded. Mr. Haskell said that the entire parking lot needs repair and Manuel Nunes suggested an estimate be sought from a large contractor. He said the piers need crowning so that water

Selectmen Chairman John DeCosta said that it is apparent that the town needs an ongoing program of continuing repair.

The problem of boats occupying the floats for long periods of time was discussed. Haskell said that he cannot be available to police the floats. The Selectmen suggested that he move any boat left without permission for lengthy periods. Mr. Haskell said that the way he interpreted the by-law he could not move a boat without permission.

Selectman Frank Suzan produced and read the by-law to the effect that the floats should be used only to load and unload passengers and that no boat should be tied up to the float at any time.

Haskell said that boats are tied to the floats with no one in charge and have to be told to move, otherwise they would never move.

Selectman James Huntoon said that boats should be tied to floats only in the case of emergency and by permission of the harbormaster. He said that he thought that the harbormaster should move the boat after a set time span and recover the cost of removal from the boat owner.

Haskell said that he did not want to get

involved with bad relations with the boat owners. Huntoon asked, "Should we get the police to take care of it?"

Haskell replied that he does talk to people and occasionally tows a boat.

Mr. Suzan suggested that the situation be watched and if it is bad that Haskell should inform the Selectmen.

TREE/BUSH PROBLEM

Safety Officer Stanley Ennis told Selectmen that a serious tree problem exists in the town. He said that some trees are too close to the road and some obscure stop signs and the tree warden does not have sufficient money to trim them. He said that some trees and shrubs on corners interfere with vision. Selectman Frank Suzan asked that a list of the worst areas be made so that Tree Warden Wesley Bowman can set priorities and Selectmen said that if Ennis pointed out the offending shrubs to homeowners they would perhaps be willing to trim them.

Ennis requested a school zone sign at Church and Barstow Streets to indicate the Center School crosswalk is used by children.

DOG LICENSES

Selectmen were informed by Town Clerk Lois Bassett that 40 residents have not registered their dogs. The deadline was April 1, and three notices have been sent with no result. The Selectmen agreed that de-

CORRECT ESTIMATE

Old Colony Regional Vocational-Technical High School informed Selectmen of their new certification of Mattapoisett's assessment, correcting a mathematical error. The new amount of Total Assessment for Mattapoisett's share is $155,680; a $4,722.26 new increase and $2600 less than estimate.

50 PER MINUTE MOSQUITO LANDING

Gary Benzon from the Plymouth County Mosquito Control, informed Selectmen that the "landing count" for mosquitoes on the Neck Road last Monday afternoon was 50 per minute. After treating the area with Resmithrin in 2 hours' time the rate was 0. Mr. Benzon also noted that we are due for another "hatching" in 2 or 3 weeks but his plan will be spraying Mattapoisett to take care of that batch. Plymouth County will notify the local papers and inform the Selectmen's Office as to the exact time and places that will be sprayed. Residents are reminded that special attention will be given to their property by calling 585-5450.

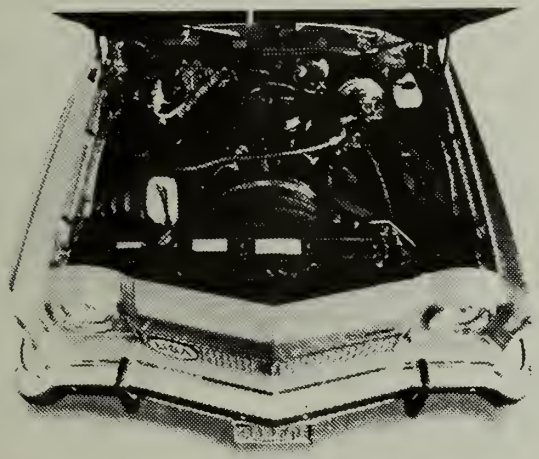
A dirty cooling system is destroying this engine and you can't even see the damage.



There's more to your car's cooling system than meets the eye. In fact the inner-workings of your engine and automatic transmission depend on proper cooling.

A dirty cooling system will allow deposits to accumulate in the crankcase. This build-up of deposits can result in costly repairs.

But you can help avoid this expense and inconvenience with WYNN'S X-TEND Power-Flush and WYNN'S X-TEND Cooling System products. A new approach to cleaning and maintaining your automobile's entire cooling system while helping to maximize cooling system efficiency.

WYNN'S X-TEND Power-Flush unit uses pressurized water and air to flush the cooling system — including even those hard-to-reach areas.

Your automobile manufacturer recommends cooling system maintenance on a regular basis, so act now. Because when you can see the damage it'll be too late.

summer. Imagine the special memory of the cruise ship vacationer as he thinks back to that anchorage in Mattapoisett harbor when the band played the "Music Man". A high point of the trip. A very unforgettable moment. We have these memory baubles strung on an endless chain - blessed beyond measure.

How can we thank the musicians for this pleasure? There is one small way. We can give them light. The people on the outer edge of the bandstand have very dim light. They need some clip-on floods to illuminate their music sheets. There must be many Christmas floodlamps lying idle and unused. I have one to offer; perhaps you do also. If so, just bring it down to the next concert and clip it on the rail. The music makers lighten our lives. Let's light up their music. Let's make our gem gleam a bit brighter.

PLYMOUTH

Almost every nationality can be found represented on the waterfront of this original American town. A magnet of great interest, Plymouth is one of our first footholds on the continent. Part legend, part fact the story of that beginning is an inspiration and tribute to tenacity and courage. Massasoit, in bronze, commands the harbor as well he should as savior of the Pilgrim colony. Plymouth Rock which has journeyed to various points of the town is now enshrined in its marble portico as it has rested since 1920. For a different perspective of these familiar sights, the harbor breakwater makes a new vantage point as well as a most refreshing walk.

SEPTIC SYSTEM MAINTENANCE

A new septic system is expensive to install. If it is not taken care of properly, it will clog and overflow. Rebuilding a system is also expensive. System failure is cheaper and easier to prevent than it is to correct.

By keeping materials out of it that may harm it and by having the tank pumped regularly the homeowner can help protect his system

Tennis Court Closed

The Recreation Commission of Mattapoisett has closed one of the four tennis courts at the Center School. Cracks in the court have made it unsafe for play. Money is not available to repair the courts and it is only a matter of time before the other courts deteriorate and are closed.

The Commission has proposed articles for repair of the courts for the past 3 years. Each year the articles were voted down at Town Meeting.

Mattapoisett Library

On Fridays, in August, the Library is having its children's film program. The films are shown at 1:00 p.m. This Friday, the 13th, the films will include "How the Whale Got His Throat".

Another reminder to those children who have not moved forward in our summer reading program, the deadline for turning in cards is Monday, August 23. Those children who have participated and progressed through space will receive invitations to our awards party which will be held Wednesday, August 25, from 1 to 2 p.m. Children are requested to wear space hats of their own homemade design.

Library hours for the summer are: Monday, 2 to 8; Tuesday, 2 to 8; Wednesday, 10 to 8; Thursday, 2 to 8; Friday, 2 to 8; and Saturday, 1 to 5.

The event will feature homemade and home-baked foods, books, white elephants, Clare's Kitchen (for coffee and doughnuts) and wares at rental tables.

Committee aides will meet at the hall Friday morning, after 9 a.m., to prepare for the event and to accept articles. The committee will also be at the hall Friday night from 7 to 9 p.m. to receive donations.

All this week the telephone committee has been busy calling members and friends for donations of food, garden produce, books and white elephants.

Club members are traditionally known for their culinary expertise, so a variety of goodies is expected to be on display.

Anyone wishing a rental table may contact Adela Jenkins at 758-6636.

perpetuate it for us.

This month's exhibit shows pictures of Town Celebrations from the early 1800's and Town Bands. The Band of 1949 included five members of one family who all live in or near Mattapoisett today!

Permanent museum exhibits include beautiful scrimshaw, silver, glass, china and marine items as well as a 19th century carpenter shop, kitchen, weaving room, and lady's wardrobe. The Carriage House displays many old farm implements and road vehicles.

A membership and/or admission to the Mattapoisett Historical Society and Museum is nominal in price and <u>open to all;</u> a wonderful way to become part of Mattapoisett's past as well as being in its present and future.

May we see you soon?

Old Rochester Tennis League

The Old Rochester Tennis League is entering the stretch run of the season with hotly contested races in all divisions. In its third season the league features 11 two man teams competing for titles in advanced men, intermediate men, doubles and best overall team.

In the advanced division Bob Hohne leads with five wins but is followed closely by Roger Ames, Pete Gardner and Ross Upton, all with four wins each. The intermediate division shows John Losert leading with 6. wins but challenged by Dick Douglass, Don Doyon and Bob Kelsey with 5 points.

In doubles two teams, Downing and Doyon, and the team of Hohne and Kelsey share the top spot with six wins each. For best overall team which is based upon singles and doubles, the team of Hohne and Kelsey lead with 16 points, followed by Downing and Doyon with 15 points and in third, Upton and Losert with 12 points.

It has been another exciting year for the League. Next year why don't you become part of Mattapoisett's fastest growing tennis league?

Tennis Tournament

The second annual Sailaway Tennis Tournament, co-sponsored by the Sailaway Restaurant of Mattapoisett and the Old Rochester Tennis League, drew a field of 39 tennis enthusiasts to compete in three divisions: men's advanced, men's intermediate, and women's intermediate.

The men's advanced division offers a strong field of 12 players led by pre-tournament favorites Dartmouth High tennis coach Roger Ames, Westfield State's Pete Gardner and Bishop Stang's Number 1 tennis player Scott Facchetti.

In the intermediate division Bill Campbell of Mattapoisett is back to defend his title against 17 other would-be champions. Number One seed Bill Duggan and John Losert of the Old Rochester Tennis League seem to be the players to watch.

For the first time there will be a women's

ter-century, America's Junior Miss has achieved a distinguished position among youth programs in the country, attracting thousands of high school senior girls to compete on the local level.

The program is geared for and around youth, to recognize and assist the young women who participate by giving them the opportunity to express themselves and to broaden their skills and personalities.

It stresses the overall growth and development of the girl, accenting in judging the importance of character, personality, intelligence, participation in worthy activities, creativity, talent and general appearance.

Any girl in the 1983 graduating class is welcome to participate in the WAREHAM JUNIOR MISS Pageant. To do so please call Dorothy Gayoski at 763-2079. The pageant will be held in October.

Jimmy Fund Day

"JIMMY FUND DAY" at the Reservation Golf Club in Mattapoisett proved to be a "Big Hit", a grand slam home run, with nearly 90 percent of the members and their guests taking part in raising funds for the "JIMMY FUND".

The Reservation Golf Club which along with other area golf courses who are running their own individual "JIMMY FUND DAY" tournaments raised in excess of $1,000 in support and concern for the "JIMMY FUND".

$25,000 has been set as the goal this year by the Southeastern Massachusetts "Jimmy Fund" advisory council, and it is optimistically expected that these tournaments plus other organizational events will help this

Prevent Hypertension

Are you on speaking terms with your blood pressure? If you are overweight, use a lot of salt or tend to be "up tight," you could be headed for a close encounter of the worst kind.

High blood pressure, or hypertension, is a major killer in the United States. And more than 90% of hypertension cases are caused by one or more factors which only you can control.

- Stay away from salt.
- Stay slim and keep moving.
- Learn to relax.

Art Center, had a solo show in the summer of 1975 and was included during the following year in a group show of marine paintings. Most recently she participated in a retrospective showing during July of this year. This recent collection of her work reflects both her wide range of subject matter and her strong command of draughtsmanship and composition. The realism is modern and it is inspired by abstract considerations. Formal expression is carefully articulated through line and color, form and space.

In painting, Powers has invented a new sophisticated technique which combines various waterbased media, sometimes with pastels and ink or pencil, so that layers are formed not only working from light to dark, but with impaste worked into washes. The result is a surface which combines some of the painterly density of oils with the transparency of watercolor and which allows for an intensity and complexity not possible with watercolor alone.

The lithographs were printed at Fox Graphics Galleries. They include two color prints to four and five color prints with added color. Ms. Powers prints her own etchings from copper plates. They demonstrate a number of techniques from simple etched lines and drypoint to aquatint and softground.

A graduate of Vassar College, Ms. Powers was trained under Karl Zerbe and Ture Bengzt at the Boston Museum School, where she taught as well. After further teaching at Wellesley College and private classes, she concentrated on her own work which has been exhibited widely in galleries, both solo and group shows. Her work is represented in many institutional and private collections throughout the United States.

CONGRATULATIONS TO THE MATTAPOISETT BRAVES

The Mattapoisett Braves, managed by Dan Lee, made the championship playoffs for the first time in the history of Mattapoisett Babe Ruth baseball. They were finally edged out of the championship series Saturday, August 7th, in a close and exciting battle with the Marion Indians. Dan Lee expects to have another good season next year as seven of his players will be returning.

Children's Museum

ADULT WORKSHOP - BEEKEEPING

Mendes Apiery will hold an adult workshop at the Children's Museum on all aspects of "Beekeeping". The Mendes brothers will explain their operation of traveling their pollinating bees from Florida to the Canadian border every year. Besides describing "Beekeeping" as a large scale business, the Mendes will also explain how beekeeping can be done for fun and profit in your own backyard. They will come equipped with hive, foundation, and comb, and will talk about the beekeeper's job and the bee's job in producing honey. All practical aspects will be discussed such as flavoring honey, bottling, and selling.

Anyone 15 or older is welcome to attend this workshop. The program will be held August 14th from 10 to noon at the Children's Museum, 100 Old Westport Road, North Dartmouth. Please call to register in advance; there will be a charge.

ROCK AND MINERAL HUNT

On Saturday, August 14th, the Children's Museum will hold a "Rock and Mineral Hunt" for children seven years and older. Those interested should meet at the Children's Museum, 100 Old Westport Road, North Dartmouth, at 2:00 p.m. where members of the Southeastern Massachusetts Rock and Mineral Club will give an explanation of the hunt and show what can be found at the excavation site. Children should bring a hammer and rock chisel and a knapsack. All those excavating should wear protection for eyes and hands. Mr. Leroy Vargas will lead the hunt for local mineral specimens, and amateur rock hounds and curious col-

PET SHOW

Do you have a pet who deserves an award? Whether it's a snake or a snail or a cat or a cockatoo, your pet may win a prize! Please call the Children's Museum and register your pet's name as soon as possible; 993-3361. Then, bring your pet to the Children's Museum's Country Fair for 12:00 noon on Sunday, August 22nd. Here's your chance to dress up your pet clam and try for a blue ribbon!.

Also, if you'd like to participate in the Jr. Olympics competition that will also be held that day, call the Museum in advance to leave your name. Junior Olympics is open to children 5 to 12 and the events are: 50-yard dash, a soccer dribble, 3-legged race, a shoe mix-up and a sack race. You can participate in any of these events.

Ongoing all day at the Country Fair will be Arts and Crafts booths, fire engine rides, face painting, a petting zoo, astronomy booth, rock and mineral booth, a planetarium, hayrides and games of skill.

Besides the Pet Show and Junior Olympics on our schedule of events, there will be a magic show, a model rocket firing, new games, and door prizes and awards. Bringing all events to a pleasant conclusion will be a country dance starting at about 5 p.m. Refreshments will be available all day.

Admission will be charged. For more information and to register for the events please call 993-3361. Rain date will be Saturday, August 28th.

Cabaret Theatre

"SOMETHING'S AFOOT" AT SMU

"Something's Afoot" will be presented by Southeastern Massachusetts University's Summer Cabaret Theatre on August 19-22 and August 26-29 in the SMU Campus Center.

"Something's Afoot" is one of the most unusual musical comedies of all times. It is a musical set against the timeless background of an English country house such as Dame Agatha Christie found most congenial as a locale for her novels of murder and mayhem.

Using this same background, the creators of "Something's Afoot" have cooked up a musical melodrama that delighted the audiences at the world-famous Goodspeed Opera House and during its subsequent tour.

"Something's Afoot" makes absolutely no sense, but it is an hilarious delight and even contains some very fetching melodies. It is perfect, summer-weight entertainment, and the SMU Summer Cabaret Theatre is delighted to close its current season with this musical confection.

Curtain goes up at 8:30 p.m. in the SMU Campus Center.

The cast, directed by Angus Bailey, includes Norm Byron, Tony Ferreira, Carole Kenny, Celeste Marien, Mellanie Snipes and Liz Stott.

For further information call the SMU Theatre Company office at 999-8167.

Heritage Plantation

THREE OUTDOOR PROGRAMS

The cheerful sounds of circus music will fill the outdoor concert stage at Heritage Plantation of Sandwich, when Richard Whitmarsh directs the South Shore Concert Band on Saturday, August 14, at 7:30 p.m. Rain date is August 21. On Sunday, August 15, the air will reverberate with a different type of sound when Captain Plourde's Company 4th Battalion Royal Regiment of Artillery performs at 1 and 3 p.m. at the Military Parade grounds adjacent to the Museum. Then on Wednesday, August 18, at 7:30 p.m. it's back to jazz when Lee Childs and the Bourbon Street Paraders return for a second time this summer.

to the general population with a wide repertoire of music, including popular, march, Broadway, with a dash of jazz and dixie, perhaps the classic interest of the group has been in the area of American circus music. There are few bands in the country that are so devoted according to Whitmarsh, who said that the band has completed five albums of this wonderful music. Their current program includes: a trumpet solo, "Trumpets Lullaby" by Ted Haines; a tuba solo, "Touch of Tuba" by Steve Shaw; and an alto sax solo, "Harlem Nocturne" by Anthony Ferrante; plus much more.

History is brought to life with Captain Plourde's Company which recreates a Revolutionary War unit that arrived in this country in 1771. Men drill with musket and cannon, the armourer and blacksmith go about their work; the women cook, do laundry and needlework, spin and weave, school the youngsters and perform myriad everyday tasks.

On Wednesday, the Bourbon Street Paraders will perform more of their lively traditional style jazz which has become a favorite with Cape Cod audiences at Heritage.

Membership and admission tickets for all the daily performances will be honored and will include admission to all of the museum buildings, exhibitions and grounds.

Heritage Plantation is three miles from the Cape Cod Sagamore Bridge and is less than one mile from the Old Town Hall in Sandwich up Grove Street off Route 130.

In the event of rain, the Farmer's Market will be held indoors at the Sandwich Elementary School on Route 130.

BACKPACKING ADVENTURE

This summer the Green Briar Nature Center in East Sandwich offers a special program for 7th, 8th and 9th graders who are interested in the natural world and ready for a real challenge. The Backpacking Adventure will begin on August 24 when the young people will meet at Green Briar for four morning sessions where they will get to know each other and make plans for the trip. From the 24th through the 27th they will meet from 9:30 a.m. to noon. Then, from August 31 to September 3 they will take a backpacking trip along the Appalachian Trail in western Massachusetts. They'll climb several of the tallest mountains in southern New England, visit one of the state's highest waterfalls and explore a vast wilderness region.

Participants do not need backpacking experience. They must provide their own backpack (not a knapsack), sleeping bag and hiking boots. Green Briar will furnish other equipment, tents, and food.

Presently, there are only two openings

Wooden Boat Show

PLIMOTH PLANTATION'S SHALLOP
AT NEWPORT WOODEN BOAT SHOW

Plimoth Plantation's replica of the 33 foot shallop used for the Mayflower Pilgrim's first exploration along the shores of Cape Cod, will highlight this year's Newport Wooden Boat Show August 19-22.

The Shallop will be towed August 18 from Fort Adams State Park to Newport Harbor, where wooden vessels from all over the world at last year's Wooden Boat Show attracted nearly 12,000 people.

This year's second annual Wooden Boat Show features many new designs as well as workshops on the preservation and restoration of older wooden boats.

The shallop, a light, open boat, and its complimentary exhibit Mayflower II, are celebrating their 25th anniversary this year.

Designed by William A. Baker, Mayflower II and the shallop, docked at State Pier in Plymouth Harbor, are open to the public every day from 9 a.m. to 7 p.m. Admission is charged.

Shirley Jones to Open Zeiterion

The ZEITERION THEATRE in New Bedford proudly announces its Gala Opening for Saturday, September 25th. Miss Shirley Jones, an accomplished actress of stage, screen and television, will appear live, in concert.

Shirley Jones, the winner of an Academy Award for her appearance in Elmer Gantry, has performed for more than 25 years. Best known for her role as Shirley Partridge in the long-running series The Partridge Family, Miss Jones has also appeared in such classics at South Pacific, Oklahoma!, The

Music Man, Carousel, On a Clear Day and Me and Juliet.

Along with her musical director, Everett Gordon, Shirley Jones will be accompanied by a 28-piece orchestra. She will sing selections from Rodgers and Hammerstein along with other contemporary music. The evening is partially underwritten by Merrill-Lynch of New Bedford.

The elegance of Miss Jones' style befits the dawn of a new tradition of performing arts in New Bedford. Since the Zeiterion's completion of its first phase - $200,000 restoration, the theatre is operational and will now bring quality entertainment to the area.

Proceeds from the Gala Opening will be used to match the Kresge challenge grant recently received by the Zeiterion.

Ticket prices have been set at $50., $25. and $15. Fifty-dollar ticket holders will be invited to attend a champagne party immediately after the performance; $25. ticket holders will be invited to a wine and cheese party before the show.

That's Shirley Jones appearing September 25th at the Zeiterion Theatre. For further information call the Zeiterion Theatre Box Office at 994-2900.
